Schedule

THIS AGREEMENT under seal made the twelfth day of November One thousand nine hundred and fifty seven BETWEEN THE HONOURABLE ALBERT REDVERS GEORGE HAWKE, MLA Premier and Treasurer of the State of Western Australia contracting for and on behalf of the said State and the Government and Instrumentalities thereof from time to time (hereinafter referred to as “the State”) of the one part AND NORTHERN DEVELOPMENTS PTY. LIMITED a company duly incorporated in the State of New South Wales and having its registered Office in the State of Western Australia at the Third Floor Pastoral House Saint George’s Terrace Perth (hereinafter referred to as “the Company” which expression where the context permits shall extend and include its successors and permitted assigns) of the other part.

WHEREAS:

- (i) The Company — being desirous of acquiring land in the State of Western Australia for the purpose of cultivating and processing thereon rice and other agricultural crops necessitated by the rotational cultivation of rice — has requested the State pursuant to the provisions of section 89D of the *Land Act 1933-1956* to dispose of the subject land to it for that purpose,
- (ii) The State has agreed so to dispose of the subject land to the Company upon and subject to the terms and conditions hereinafter contained.

WITNESSETH:

1. IN this Agreement unless the context otherwise requires —

“Minister” means the Minister for Lands of the State of Western Australia and the person acting in that capacity from time to time.

“parcel” means such area of land of approximately five thousand acres comprised within the subject land as the Minister determines.

“subject land” means the Crown lands described in the First Schedule hereto and delineated and bordered in blue in the plan drawn thereon.

2. THIS Agreement is made subject to ratification by the Parliament of Western Australia within six months of the date of the execution hereof. If this Agreement is not so ratified within the time aforesaid it shall be void and of no effect and neither of the parties hereto will have any claim against the other with respect to anything arising out of this Agreement.

3. SUBJECT to the provisions of this Agreement the Company may from time to time apply to the State for a licence in respect of a parcel of land comprised in the subject land in the form set out in the Second Schedule hereto.

4. THE Company shall be entitled to make an application for a license in respect of: —

- (a) the first parcel — within thirty days from the date this Agreement is ratified by the Parliament of Western Australia
- (b) the second parcel: —
 - (i) when the Minister in his absolute opinion signifies in writing to the Company that he is satisfied that rice can be successfully and economically grown upon the first parcel;
 - (ii) when the whole cultivable area of the first parcel has been planted with rice whether in one or more seasons; and,
 - (iii) within seven years after the date this Agreement is ratified by the Parliament of Western Australia or such further time or times as the Minister in his absolute discretion may allow for such cause or reason as he deems fit.
- (c) the third parcel: —

Sch. Schedule

- (i) when the whole cultivable area of the second parcel has been planted with rice, whether in one or more seasons; and,
 - (ii) within fourteen years after the date of this Agreement is ratified by the Parliament of Western Australia or such further time or times as the Minister in his absolute discretion may allow for such cause or reason as he deems fit.
- (d) the fourth parcel: —
- (i) when the whole cultivable area of the third parcel has been planted with rice whether in one or more seasons; and,
 - (ii) within twenty-one years after the date this Agreement is ratified by the Parliament of Western Australia or such further time or times as the Minister in his absolute discretion may allow for such cause or reasons as he deems fit.

5. THE State shall within seven days after the ratification by the Parliament of Western Australia of this Agreement by notice advise the Company of the details of the boundaries of the first parcel which it is entitled to make application for and shall within four calendar months of a request from the Company advise the Company of the details of the boundaries of each remaining parcel for which the Company becomes entitled to make application under clause 4 of this Agreement PROVIDED that the State shall not be required to give the Company the details of the boundaries of any parcel until the Company is so entitled to make application for that parcel.

6. WITHIN thirty days of the receipt by the State of a written application by the Company for a license in respect of a parcel and provided there is no existing breach or non observance of any of the terms and conditions on the part of the Company herein contained the State shall issue or cause to be issued to the Company a license in the form set out in the Second Schedule hereto.

7. THE Company shall not without the previous consent in writing of the State first had and obtained assign or transfer the benefit of this Agreement or any part thereof or interest therein or license hereunder to any person or persons or corporation or otherwise by any act or deed procure allow or suffer either voluntarily or involuntarily this Agreement or any part thereof or interest therein or license hereunder to be assigned or transferred PROVIDED HOWEVER that the State may condition its consent upon the execution of an agreement to be prepared by the State's solicitor and executed by the proposed assignee or transferee binding him or it (as the case may be) to observe and comply with the terms and conditions contained in this Agreement and such further terms and conditions as the Minister may deem fit.

8. (1) When a license in respect of a parcel is granted to the Company it shall forthwith proceed with the progressive and continuous development of the parcel for the cultivation of rice and other agricultural crops necessitated by the rotational cultivation of rice.

(2) Without affecting the generality of the provisions of the preceding subclause the Company at its own cost and expense shall in respect of each parcel for which it is granted a license: —

- (i) within sixty calendar months following the day on which the license is granted therefor, in a substantial and workmanlike manner with the best materials of their several kinds and to the satisfaction of the Minister erect along the external boundaries of the parcel a cattle-proof fence,
- (ii) within twelve months following the day on which the license is granted therefor, provide such equipment for the use of available water supplies as the Minister in his absolute discretion deems necessary for the cultivation of rice thereon,
- (iii) during the first four seasons following the day on which the license is granted therefor, the Company shall in a proper and husbandlike manner seed the whole of the cultivable area of the parcel with rice and to so ensure the Company shall at the appropriate time in each of those seasons in the manner aforesaid seed with rice an area of not less than one-fifth of the virgin soil of the area of the parcel.

Sch. Schedule

(3) The Company shall pay to the State upon demand the cost of such topographical and boundary definition surveys in respect of each parcel as the Minister in his absolute discretion considers necessary. The cost of those surveys shall be in accordance with the scale set out in Regulation 168 of the Regulations for the Guidance of Surveyors or any amendment of that Regulation for the time being in force.

(4) The land comprised in a parcel shall not be used for any purpose other than the cultivation and processing of rice and other agricultural crops necessitated by the rotational cultivation of rice.

9. (1) In respect of a parcel for which the State grants the Company a licence the Company shall pay to the State the yearly rental of ONE HUNDRED POUNDS (£100).

(2) The rental payable under the provisions of this clause in respect of the land comprised in a parcel for which a license is granted shall be payable half-yearly in advance on the First day of March and the First day of September in each year during the currency thereof the first of such payments however to be made on the issue of the license therefor and to be apportioned for the period commencing on the day of the issue of the license and expiring on the day immediately preceding the next succeeding half-yearly day.

10. THE State —

(1) at its own cost and expense in all things shall construct a weir across Uralla (Snake) Creek at approximately the position marked with the letter “D” on the plan delineated in the Third Schedule hereto (and being more particularly at the point 17 miles 1,750 feet along the traverse of Uralla (Snake) Creek shown on plan P.W.D. W.A. 34105 and which traverse is defined on the ground by concrete bench marks at mile intervals). The height of the weir top shall be R.L. 130.5 feet and in constructing the weir provision shall be made for the erection on the weir top of stop boards whereby the height of the weir may be increased to 132.0 feet. The general objective of the weir is —

- (a) to provide some water storage in Uralla (Snake) Creek upstream from the weir;
- (b) to act as a control point for the diversion of irrigation water; and,
- (c) to provide some water from the weir for the lower reaches of Uralla (Snake) Creek.

(2) Subject to all investigations tests and surveys which the Director of Works of Western Australia considers necessary in respect of the erection of the barrage herein mentioned being completed and in his opinion proving satisfactory shall construct in due course and in a manner to be mutually agreed between the parties hereto a suitable barrage in the bed of the Fitzroy River close downstream to the existing off-take works on Uralla (Snake) Creek at approximately the position marked with the letter "E" on the plan delineated in the Third Schedule hereto. The State accepts no obligation to complete the construction of the barrage by a particular date, but will use reasonable endeavours to complete the construction by the end of the year One thousand nine hundred and sixty.

(3) Shall construct in due course from the weir and when reasonably required by the Company two irrigation channels one on each side of Uralla (Snake) Creek and each leading to the nearest practicable point on the boundary of the first parcel, for which a license is granted, on each side of the Creek.

(4) At its own cost and expense in all things may from time to time during the currency of this Agreement maintain and keep in repair —

- (a) the weir, barrage and off-take works herein-before referred to in this clause; and,
- (b) such part or parts of the irrigation channels as are from time to time during the currency of this Agreement outside the area of a parcel for which a license has been granted.

Sch. Schedule

(5) Shall construct or cause to be constructed and may authorize the Commissioner of Main Roads to maintain or (with funds accruing to the local authority of the district in which the subject land is situate or with vehicle license fees) to cause to be maintained in a satisfactory condition —

- (a) a trafficable road which in the opinion of the Commissioner of Main Roads is suitable for the reasonable requirements of the Company for the purposes of this Agreement from Derby to the point marked with letter “X” on the plan delineated in the Third Schedule hereto via Camballin Homestead; and
- (b) a road or roads, the total length of which will not exceed one-half a mile, within the town-site to be constituted near the subject land.

(6) Shall construct or cause to be constructed a road of approximately two and one-half miles in length from the position marked with the letter “X” to the position marked with the letter “P” on the plan in the Third Schedule hereto.

(7) Shall improve or cause to be improved both the approaches to the Uralla (Snake) Creek Bridge; strengthen or cause to be strengthened that Bridge and increase or cause to be increased the width of that Bridge to twelve feet.

(8) Arrange for the building for the accommodation of the Company’s employees at such place or places within the townsite to be constituted near the subject land and of such standard designs of the State Housing Commission as may from time to time be agreed upon in writing with the Company five houses; the first two of which shall be completed before the thirtieth day of June One thousand nine hundred and fifty-eight and each of the remaining three within six months after notice by the Company to the Commission of its requirement but subject to the Company’s first satisfying the State that the Company is then making progressive and continuous development of the subject land in accordance with the provisions of this Agreement and for those purposes requires the house.

(9) Let all such houses to the Company at rentals calculated in accordance with the formula laid down in the *Commonwealth and State*

Housing Agreement Act 1945 (as amended from time to time) and subject to any subsidy granted by the State in respect of the rental of houses erected by the State Housing Commission north of the twenty-sixth parallel of south latitude, and otherwise for such period or periods and on such terms and conditions as the said Commission may reasonably require.

11. THE Company —

(1) At its own cost and expense in all things during the currency of this Agreement —

- (a) shall make construct maintain and keep in repair all improvements works and facilities that are necessary within each parcel, for which a license has been granted, to reticulate water therein; and,
- (b) shall maintain and keep in repair such part or parts of any of the irrigation channels referred to in subclause (3) of clause 10 hereof as may from time to time be or become included within the boundaries of any parcel for which a license has been granted.

(2) In consideration of the State making and constructing the several works referred to in clause 10 hereof shall pay to the State —

- (a) for the period commencing on the day of completion by the State of the barrage in the bed of the Fitzroy River and expiring on the termination of this Agreement the annual sum of THREE THOUSAND POUNDS (£3,000) subject however to the provisions of clause 12 hereof. Payment of that sum will be made by half-yearly payments in advance on the first days of the months of January and July in each and every year during that period the first of such payments however to be made on the day of completion and to be apportioned if necessary in respect of that portion of the half-year commencing on the day of completion and expiring on the day preceding the next succeeding half-yearly day. The punctual payment of that annual sum shall entitle the Company to the delivery during the year in respect of which it is paid of such amount of water from the weir as is available up to but not exceeding thirty thousand acre feet of water. All water

delivered by the State to the Company in excess of that quantity the Company shall subject however to the provisions of clause 12 hereof pay for at the rate of five shillings (5/-) per acre foot payment for which shall be made by the Company to the State within sixty days following the service of the assessment on the Company in respect of same. For the purpose of measuring the quantity of water delivered by the State to the Company all water obtained by the Company by means of any pump operating on near or about Uralla (Snake) Creek and within the boundaries of any parcel for which a license has been granted shall be deemed to be delivered by the State to the Company.

- (b) In respect of such part or parts of an irrigation channel referred to in subclause (3) of clause 10 hereof as may from time to time become enclosed within the boundaries of a parcel for which a license has been granted an annual charge equal to five and one-half per centum of all the cost incurred by the State in constructing same. Such annual charge shall become payable from the day or respective days when such part or parts are so enclosed until the termination of this Agreement and shall be payable half-yearly on the last day of the months of June and December in each and every year the first of which shall be payable on the first of those half-yearly dates next following the first enclosure of any such part of the irrigation channels.

(3) Shall accept the details, as kept by the Public Works Department of Western Australia in respect of all the costs of construction of the irrigation channels referred to in subclause (3) of clause 10 hereof as *prima facie* evidence of such costs.

(4) Grants unto the State full and free right and liberty for the State at all times during the currency of this Agreement by its servants workmen contractors and agents to enter and to go pass and repass with or without animals carts or other carriages or vehicles or motor or other mechanical vehicles laden or unladen into and out of and from any parcel for which the Company has been granted a license for the purposes of —

- (a) installing and maintaining such gauging equipment as the said Director approves on the irrigation channels within that parcel and

at any place where water is obtained by pump or pumps therein;
and,

(b) reading such gauging equipment.

(5) Shall accept the register of each gauging equipment referred to in subclause (3) of this clause as *prima facie* evidence of the quantity of water provided by the State through the point whereon it is erected and installed.

(6) Shall indemnify and keep indemnified the State against all actions claims damages costs and demands arising out of or in connection with the construction or maintenance by the State of the weir barrage off-take works irrigation channels and gauging equipment referred to in clause 10 hereof or any of them.
