- (d) The amount of bonus calculated in accordance with (B)(1) shall not exceed the following percentages of the amount set out in the Australian Bureau of Census and Statistics publication for "average weekly earnings per male employed unit" in Western Australia for the September quarter immediately preceding the date of accrual of the annual leave—

- (i) for officers entitled to 17½% loading—100%;
- (ii) for officers entitled to 20% loading 125%;
- (iii) for officers entitled to 18¾% loading—112½%.

- (e) Where all or any part of the annual leave carrying the loading is not cleared in the year following the date on which it falls due the bonus will be calculated at the officers classified salary at June 30 or December 31 as the case may be and the amount of the bonus recorded and paid to the worker when he clears the leave.

(2) If it gives a greater amount than the amount of bonus calculated under (B)(1) an officer will be paid the shift and Saturday penalties he would have earned had he not been on annual leave.

(3) The bonus will be paid on *pro rata* annual leave due to an officer on resignation or retirement.

(c) Public Holidays.

(1) All officers shall be entitled to Public Service holidays or days in lieu thereof.

(2) If any Public Service holiday falls within an officer's period of annual leave and is observed on a day which would have been an ordinary working day, there shall be added to that period one day being an ordinary working day for each such holiday observed as aforesaid.

(3) If any Public Service holiday falls on an officer's adjusting day (Saturday or Sunday excepted) he shall be granted a day's pay in addition to his normal fortnightly pay unless he elects in lieu of such a day's pay to be granted a day's holiday with pay which may be cleared with the annual leave or taken at some subsequent date when the officer so agrees.

(4) Officers when clearing days in lieu of Public Service holidays worked shall be debited with days on a five day basis irrespective of the day of the week the officer does not normally work.

(5) (a) Officers working on a Public Service holiday shall be paid as follows:—

- (i) Officers in head offices and district offices and others rostered to complete their week's work Monday-Friday to be paid for time worked in the first 10 hours in any shift on a Public Service holiday falling Monday to Friday at the rate of time and a half and thereafter at the rate of double time and a half.

(d) Time worked on a Public Service holiday on which time and a half penalty is paid will be counted as part of the week's work for calculation of overtime on a weekly basis. Time worked on a Public Service holiday and on which double time

and a half penalty is paid will stand alone and will not be counted for calculation of weekly overtime.

(e) Penalty paid for working on a Public Service holiday is in lieu of all other penalties which may be due for working a shift that day.

(f) In addition to the penalties herein indicated, any officer brought on duty on a public service holiday will be entitled to a day's pay unless he elects, in lieu of such a day's pay, to have a day added to his annual leave or to be cleared at some other time as the officer and the Department may agree.

(g) The penalties indicated herein apply to time worked on a Public Service Holiday only and will not apply to any other time such as travelling time which may be granted to an officer being brought on duty on a Public Service holiday.

11.—Absence Without Pay.

Any term in excess of three months an officer is absent from duty for any cause without pay, except sick leave without pay for which a medical certificate is provided, shall not for any purpose be included as part of such officer's period of service. (4) Long service leave shall be paid at the officer's permanent classified rate of pay provided that if within two weeks before such leave is taken, an officer has been acting in the one higher capacity position and has been paid for such higher capacity work for not less than twelve months continuously, long service leave shall be paid at the rate applicable to the higher position.

(5) Any Public Service holidays occurring during the period in which an officer is on long service leave will be calculated as portion of the long service leave, and extra days in lieu thereof shall not be granted.

(2) Any officer so incapacitated for duty shall also notify his superior officer in sufficient time of the date on which he will be able to resume duty to enable the necessary arrangements to be made.

(3) Should the absence be prolonged beyond two days, the officer shall, except as provided in subclause (4), forward to his superior officer on the third day thereof, a certificate from any legally qualified medical practitioner showing the nature of the illness and the probable duration.

(4) Any such officer who resides more than 8 km from a legally qualified medical practitioner shall intimate that fact to his superior officer within whose discretion it shall lie as to whether a certificate is required or not.

(5) Any officer who finds that he is unable to resume duty on the expiration of the period shown in the first certificate should thereupon furnish a further certificate and shall continue to do so upon the expiration of the periods respectively covered by such certificates.

(6) In cases where incapacity for duty is obvious to the head of the branch, he may relieve the officer of the necessity of providing medical certificates.

(7) Any officer shall, if so directed, present himself for examination by a medical officer, at such time and place as may be fixed.

(8) Any officer who has been absent for three days (not continuous) in one financial year shall, if so instructed by his superior officer, furnish a medical certificate for absences of one day only.

(9) No payment will be made for any absence due to an officer's own fault, neglect or misconduct.

(b) In the case of a female officer absence for the birth of a child shall not be regarded as sick leave for the purpose of this clause.

(11) Deleted.

(14) Deleted.

(15) Where an officer is duly absent on account of illness and his entitlement to sick leave on full pay is exhausted, he may, with the approval of the Commission, elect to convert any part of his entitlement to sick leave on half pay to sick leave on full pay, but so that his sick leave entitlement on half pay is reduced by two days for each day of sick leave on full pay that he receives by conversion.

(16) Debits for sick leave granted shall be on the basis of a working week or part of a working week and shall not include any Public Service holidays occurring during the period of that leave.

(17) If an officer falls sick while on annual or long service leave and produces at the time satisfactory medical evidence that he is or was confined to his place of residence or hospital for a period of at least one week in the case of annual leave and at least two weeks in the case of long service leave he may, with the approval of the Commission be granted at a time convenient to the Commission, additional leave equivalent to the period of sickness falling within the rostered period of leave.

(d) The entitlement under subclauses (a) and (b) commenced on 1st July, 1975. Temporary clerks in the service on that date carry forward the credit then due to them.

(21) (a) Sick leave shall be paid at the officer's permanent classified rate of pay provided that an officer who has been acting in the one higher capacity position and has been paid for such higher capacity for not less than eight weeks continuously immediately prior to his ceasing duty on account of illness, will be paid at the rate applicable to higher position for the remainder of the period

during which he would have continued acting in the higher position had he not ceased duty on account of illness.

(b) An officer on sick leave on full pay shall receive in addition loadings for night work allowance, shift work penalty and Saturday penalty he would have received but for the absence due to illness. This provision shall not apply to leave on full pay converted from half pay.

(c) Payment shall be made for the period which an officer is absent on workers compensation under the said Act or for a period of twenty-six weeks from the date of injury whichever is the less.

(d) The obligation of an employer to make a payment in accordance with these conditions is not affected by the termination of the officer's employment for any reason during a period of absence to which this subclause applied.

(e) Where the officer receives a lump sum in redemption of weekly payments under the said Act the obligation of the employer to pay as herein provided shall cease from the date of such redemption.

(f) After 26 weeks an officer with a credit of sick leave on full pay will have his workers compensation made up to his classified rate of pay (excluding shift and weekend penalties) by debiting half a day of sick leave for each day absent on workers compensation until such time as all sick leave on full pay has expired.

This subclause shall not operate where the excess time does not exceed one hour.

(9) In cases where an officer is engaged at other than his home station in receipt of weekly rate of allowance, and is temporarily away from such station, the daily allowance will be paid in lieu of the weekly rate for the period of such temporary absence for twenty-four hours or over; if the absence is less than twenty-four hours reasonable actual expenses will be paid.

(10) Where an officer is relieving on expenses for a period of less than five weeks, he shall not receive greater payment for relieving expenses than he would have received if he had been relieving for five weeks.

(13) Subject to subclause (7), any of the passes or tickets referred to in this clause shall be deemed to cover transport on trains and/or buses operated by the Commission provided that the Commission, Station Officer or authorised person in charge at the station or stopping place may refuse such

transport where such is not reasonably practicable without interfering with the general public requirements.

(14) Subject to subclause (7), any of the passes or tickets referred to in this clause shall be available to a married female officer only and shall not be available to her husband and/or her family unless the Commission otherwise so determines.

Salary so forfeited by the officer may be deducted from any salary due to such officer at the time of his leaving the service of the Commission: Provided that where both parties agree to the acceptance of notice of less than four weeks, no penalty shall be imposed.

(4) When the final day or days of the period of a notice of resignation fall on a Public Service holiday or holidays and the officer is not required to work on such day or days, then the officer's service shall be deemed to have ceased on his last day of working.

#### 21.—Promotions.

(1) Promotion and the selection of an officer to act in a higher position shall be governed by relative ability, suitability, record and experience. If everything else is deemed equal, the senior officer shall be selected for promotion.

(2) As a general rule, officers and employees of the branch in which the vacancies occur will be promoted to the higher position, but the Commission may, when it considers it advisable, for the good of the service, select an officer from one branch for a position in another, either in the same or in a higher class.

(3) When considered necessary, a person from outside the service may be appointed to any position in the service: Provided that there is not an officer in the service capable of filling the position.

(4) No officer shall refuse compliance with any order directing his transfer from one position to another, but if on appeal the Commission is satisfied the objection is sound, then such officer shall not be penalised.

(5) An officer desiring to be passed over in the event of promotion being offered shall, if his request be acceded to forfeit all claim to promotion for two years, but if good and sufficient reason be given the Commission, it may restore such claim.

(6) (a) All officers promoted to a higher position shall be subject to a probationary period of six months and be paid the minimum rate of salary assigned to the class to which they are promoted. At the end of such period the head of the branch shall report to the Commission as to the fitness of the officer for the higher position; if the report is satisfactory the appointment will be confirmed as from the date of taking up duty. If unsatisfactory the officer will be provided for at the same salary as he was in receipt of prior to the

period of probation in the higher position and shall revert to his previous position on the seniority list.

(b) When an officer has acted in a higher capacity for such period that he is entitled to payment in advance of the minimum salary of such position, he shall if subsequently appointed to the class next in advance of his normal classification be credited, for the purpose of salary payments only, with such acting time.

Any officer who considers that he has been unjustly passed over and has no right of appeal under the Government Employees' (Promotions Appeal Board) Act, may appeal, in the first place to the head of his branch, and if not satisfied with the latter's reply, may then appeal to the Commission, whose decision shall be final. The head of the branch or the Commission shall reply to the appeal within twenty-one days, but no appeal will be considered unless forwarded so as to reach the head of the branch within fourteen days after the receipt of the *Weekly Notice*, and the Commission with fourteen days after date of receipt of the reply from the head of the branch.

#### 22.—Acting in Higher Capacity.

(b) After relieving in a particular position higher than that in which he is classified for a period of eight weeks, continuous or broken and not necessarily in one financial year, a officer not already in receipt of the minimum salary attached to that position shall be paid such minimum from the beginning of any further or subsequent period of relief.

(2) An officer called upon to occupy a higher position temporarily shall be entitled to increments as though he had been permanently promoted to such position: Provided that in the case of the first increment the officer shall have performed the higher duties and shall have been paid at the higher rate for twelve months' continuous or broken period: Provided further that the officer shall be entitled to receive a second increment if he shall have performed the higher duties and shall have been paid at the higher rate of two years' continuous or broken period. Absence on annual leave, long service leave or sick leave, when paid at the higher rate, shall count as service for the purpose of this subclause.

#### 27.—Offences by Officers.

(1) Each officer shall himself provide when called upon, with the least possible delay, any report or statement which may be required by the officer-in-charge.

(2) An officer who is suspended from duty for any reason shall not be kept under suspension in excess of six days excluding Sundays or holidays following the date on which he was suspended. Except in cases where dismissal follows suspension an officer shall be paid for any time under suspension in excess of the six days referred to provided the officer has not delayed the submission of his explanation of the offence for which he was suspended.

(3) If a decision in any case in which an officer is involved is not given within three calendar months of the occurrence first coming to the knowledge of the head of the branch, no disciplinary action shall be taken against such officer. Where owing to absence from duty through leave or sickness it is not possible to notify him of any disciplinary action taken against him, the period of three months shall be extended to three months from the date of the officer's resumption of duty.

(4) Where an officer has been fined an amount exceeding one day's pay the amount to be deducted from any fortnightly pay shall not be greater than one day's pay except with the consent of the officer concerned.

(2) A day's salary shall be calculated as one-tenth of a fortnight's salary in the case of officers working a five day week and one twelfth of a fortnight's salary in the case of an officer working a six day week.

(3) The salary for a fortnight shall be computed by dividing the yearly rate by three hundred and thirteen and multiplying the result by twelve.

(4) Where an obligation to pay a final amount contains a decimal figure of .5 of a cent or more, the amount to be paid shall be the next whole cent.

#### 29.—Guaranteed Week.

(1) The Commission shall normally guarantee to each officer a full week's work exclusive of Sunday work, but if during any period, by reason of any action on the part of any section of its workers or for any cause beyond its control it finds itself unable to carry on either wholly or partially the complete running of trains, services, workshops or other normal operations, the Commission shall be entitled, notwithstanding any implications arising from the provisions of section

86 of the Government Railways Act, 1904-1975, to employ only such officers (if any) as it considers can be usefully employed, and for such hours only as it considers necessary, and during such period no officer shall be paid except for such time as shall be actually worked by him. Provided that officers who are required to attend for work and do so attend on any day shall be paid a minimum of one day's pay at ordinary rates.

(2) An officer stood down in accordance with the foregoing provisions shall not lose any sick leave or other rights or privileges to which such officer would ordinarily be entitled: Provided that this provision does not entitle an officer to payment for any Public Service holiday falling during such period of stand-down.

### 30.—Classification.

(1) All positions set out in the schedule annexed hereto are in their respective proper classes and shown in alphabetical order.

(2) The Commission shall, as soon as possible after coming into force of this Award, issue a printed classification for each officer showing the officers in their order of seniority, positions occupied and salaries, in branch and section groups, with date of appointment to salaried staff and date of appointment to classified position.

(3) Officers performing postal duties shall be paid fifty per cent and savings bank duties one hundred per cent of the allowances received by the Railway Department from these departments, in addition to their salaries, but such shall not in any case be deemed part of the salary of such officer nor shall the officer claim Sunday time or overtime caused through postal and/or savings bank duties.

(4) Nothing in this classification shall lower the rate of salary any officer was in receipt of at the coming into force of the Award.

(5) When a classified officer has been seconded to a temporary position continuously for a period exceeding twelve months, or where a temporary position has been in existence for a period exceeding twelve months, the Union may, after one month's written notice to the Commission, apply to the Railways Classification Board for the inclusion of such position in the Schedule of Classification of Positions, Clause 32.

### 31.—Rates of Pay.

(4) (a) If a male officer is retained on the maximum salary of the automatic range under Table A of this clause for three years and has not refused promotion to a higher class, and the head of his branch certifies that such officer is eligible and would be recommended for promotion on the grounds of good conduct and efficiency, he may be paid on the approval of the Commission an allowance to bring his salary up to the minimum rate of class 5. An officer shall be deemed to have refused promotion when, in the opinion of the Commission he has failed to apply for promotion for which he is eligible within his own branch, without reasonable excuse which shall be limited to health and/or family reasons.

(b) If such officer is subsequently promoted to a class 5 position, he shall be entitled to advancement to the maximum of that class from the date of taking up duty in the class or twelve months from the date he received the allowance whichever is the later.

(8) An officer who is unable from any cause to perform the duties of his position and is in consequence provided with employment in another position in a lower class shall, unless the Commission directs otherwise, be paid the maximum rate for the class in which he has been provided.

(9) An officer who has been promoted and has not taken up his new position shall be paid at the salary applicable to the new position after three months from the date of his appointment unless the delay is due to circumstances beyond the control of the Commission: Provided that where an appeal has been lodged to the Promotions Appeal Board, the date of appointment shall be deemed to be the date of the decision of the Board: Provided further that where promotions are made in anticipation of the retirement of an officer, the date of appointment for purposes of this subclause shall be a date not earlier than the date the retiring officer ceases duty.

(10) Nothing in this Award shall be deemed to limit the power of the Commission to pay any officer at a higher rate than that prescribed in any case, where it may consider the same to be merited or warranted by the officer occupying such position.

(11) Officers occupying the positions set forth in the attached schedule shall be paid a salary not less than the minimum provided for the class in which such position has been classified. Provided that, where an officer has been on the minimum, intermediate or maximum of his class he shall be advanced to the equivalent range under this Schedule.
