**WATER SERVICES ACT 2012**  
EXEMPTION NOTICE

Class exemption for drainage services provided by local government

In accordance with section 7 of the *Water Services Act 2012*, the Minister for Water, Hon Simone McGurk MLA, has revoked the previous Class Exemption for drainage services provided by local government (dated 29 June 2021). The following notice now applies—

**EXEMPTION NOTICE FOR LOCAL GOVERNMENT DRAINAGE SERVICE PROVIDERS**

A local government that provides a drainage service anywhere in the State is exempt from the requirement under section 5 of the *Water Services Act 2012* to hold a water services licence.

The exemption will come into effect on the day it is published in the *Government Gazette* and will apply for a duration of five years.

**Drainage service** means a water service principally constituted by—

- (i) the management of the flow of stormwater, surface water or ground water by means of reticulated drainage assets; or
- (ii) the management of soil salinity by means of reticulated drainage assets;

and which may include the management of the quality of water dealt with.

**Local government** means a local government established under the *Local Government Act 1995*.

**Summary of reasons for the decision**

Granting the exemption is not contrary to the public interest. It is considered that—

- The risk of the abuse of monopoly power in the provision of local government drainage services is low.
- In providing drainage services, local governments must comply with the *Public Health Act 2016*.
- The regulatory burden imposed by licensing would be disproportionately high given the low levels of risk in local government drainage services.

Dated 17 May 2024.

Hon. SIMONE MCGURK, MLA, Minister for Water.
