THE following Report by the Government Analyst, with respect to a sample of so-called Butter which had been purchased in the local market for the Poor Relief Department, and submitted to him for analysis, is published by direction of His Excellency the Governor for general information.

By Command,
MALCOLM FRASER,
Colonial Secretary.

Government Analyst to Colonial Secretary.

This is not butter, but a product manufactured by fusion. It contains but 55.5 per cent. of fat. As supplied to me it was decomposed, rancid, and not fit for human consumption. It is my opinion that there is a large amount of this stuff being sold in the Colony for butter.
