HIS Excellency the Governor directs the publication of the following Order by Her Majesty in Council, extending the provisions of "The Foreign Deserters Act, 1852," to Brazil; also the copy of an Agreement between the Governments of Great Britain and Brazil, relative to Merchant Seamen Deserters, signed at Rio de Janeiro, on the 30th July, 1888.

By Command,

OCT. BURT,
Assistant Colonial Secretary,
for Colonial Secretary.

AT THE COURT AT WINDSOR, THE 17TH DAY OF
NOVEMBER, 1888.

PRESENT,

The Queen's Most Excellent Majesty.
Lord President.
Marquess of Lothian.
Sir Henry Ponsonby.
Mr. Robertson.

WHEREAS by the "Foreign Deserters Act, 1852," it is provided that, whenever it is made to appear to Her Majesty that due facilities are or will be given for recovering and apprehending seamen who desert from British merchant ships in the territories of any foreign power, Her Majesty may by Order in Council, stating that such facilities are or will be given, declare that seamen, not being slaves, who desert from merchant ships belonging to a subject of such power, when within Her Majesty's dominions, shall be liable to be apprehended, and carried on board their respective ships, and may limit the operation of such Order, and may render the operation thereof subject to such conditions and qualifications, if any, as may be deemed expedient.

And whereas it hath been made to appear to Her Majesty that due facilities for recovering and apprehending seamen (not being Brazilian subjects) who desert from British merchant ships in the territories belonging to His Majesty the Emperor of Brazil, will be given under an agreement between the Governments of Great Britain and Brazil, signed at Rio de Janeiro, on the thirtieth July, one thousand eight hundred and eighty-eight.

Now, therefore, Her Majesty, by virtue of the power vested in Her by the said "Foreign Deserters Act, 1852," and by and with the advice of Her Privy Council, is pleased to order and declare, and it is hereby ordered and declared, that from and after the publication hereof in the London Gazette, seamen, not being slaves, and not being British subjects, who, within Her Majesty's dominions, desert from merchant ships belonging to subjects of His Majesty the Emperor of Brazil, shall be liable to be apprehended and carried on board their respective ships: Provided always, that if any such deserter has committed any crime in Her Majesty's dominions, he may be detained till he has been tried by a competent court, and until his sentence, if any, has been carried into effect.

And Her Majesty, by virtue of the powers vested in Her by the said "Foreign Deserters Act, 1852," and by and with the advice of Her Privy Council, is further pleased to order and declare that, upon and after the publication hereof in the London Gazette, the Order in Council relating to seamen who desert from the merchant ships belonging to the subjects of the Emperor of Brazil, made by virtue of the said Act, on seventeenth day of May, one thousand eight hundred and seventy-six, shall be revoked, and the same is hereby revoked accordingly.

And the Secretary of State for the Home Department, the Secretary of State for the Colonies, and the Secretary of State for India in Council, are to give the necessary directions herein accordingly.

C. L. PEEL.

*Agreement between the Governments of Great Britain
and Brazil relative to Merchant Seamen Deserters.*

Signed at Rio de Janeiro, July 30, 1888.

The Government of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and the Government of the Empire of Brazil, Her Highness the Princess Imperial acting as Regent in the name of His Majesty the Emperor, being desirous, for the benefit of the commerce of the two countries, to facilitate the discovery, apprehension, and surrender of seamen who may desert from merchant-vessels of either country, on the basis of a full and entire reciprocity, have agreed as follows:—

It is mutually agreed that if any seamen or apprentices, not being slaves, should desert from any ship belonging to a subject of either of the Contracting Parties, within any port in the territories or in the possessions or Colonies of the other Contracting Party, the authorities of such port and territory, possession or Colony, shall be bound to give every assistance in their power for the apprehension and sending on board of such deserters, on application to that effect being made to them by the Consul of the country to which the ship of the deserter may belong, or by the deputy or representative of the Consul.

It is understood that the preceding stipulations shall not apply to subjects of the country where the desertion shall take place.

Each of the two High Contracting Parties reserves to itself the right of terminating this Agreement at any time, on giving to the other a year's notice of its wish to that effect.

In witness whereof the Undersigned have signed the present Agreement, and have affixed thereto the seal of their arms.

Done in duplicate, in the city of Rio de Janeiro, on the thirtieth day of the month of July, in the year of our Lord one thousand eight hundred and eighty-eight.

CONDITIONS OF CONTRACT.

1. The whole of the Articles in the foregoing schedules, required for the service of the Government Railways of Western Australia, are to be strictly in accordance with the samples and specifications, and in every respect to be of the very best description, quality, and manufacture—subject to the approval of the Commissioner of Railways, the General Manager of Railways, Locomotive Superintendent, and the Railway Storekeeper. The goods will be subject to the examination and test of an inspecting officer appointed by any of the above. The Commissioner of Railways (hereinafter called "The Commissioner," which shall also mean his Deputy or Appointee), will not be bound to issue orders upon the contractor for all the articles enumerated in the schedules, but only for such articles and such quantities of those articles as the Commissioner may order from the contractor from time to time; neither will the Commissioner be bound to take from the contractor any larger supply of any of the articles than the orders which have been issued during the period of contract, viz., from 1st January, 1890, to 31st December, 1892, nor will he be bound to take any of the articles enumerated in the schedules for which orders have not been issued. Should the Commissioner require a larger supply of any article than the quantity stated in the schedules, or should articles of a particular manufacture be ordered, the contractor will be bound to supply the same at the contract rate.

2. All orders for articles required under these contracts will be issued by the Commissioner, the General Manager, and the Railway Storekeeper, or such officers as they may appoint, and contractors will be required to forward the goods in such quantities and to such places as the orders specify, but the department will carry the goods free from any stations on the Railway named on tenders, provided they are properly addressed to the officer who is to receive them, marked "O.H.M.S.," and accompanied by the departmental consignment note. Delivery will not be taken until the goods have been received and accepted by the receiving officer named on the order.

3. Each separate order must be completed and the articles included therein delivered at the Railway Store or station whence they are to be forwarded within forty-eight hours after its receipt by the contractor, failing which the articles may be procured elsewhere at his risk, and any expense incurred by the department over and above the contract price deducted from his account.

4. Each delivery of goods must be accompanied by invoice, together with the departmental order.

5. The Commissioner, General Manager, Locomotive Superintendent, and Railway Storekeeper, or such inspecting officer as they may appoint, will have full power to reject any goods which in their opinion are not in accordance with contract, and the contractor, on receipt of rejection notice, must remove such articles immediately, and supply others in their stead, failing which they will be procured elsewhere, and any expense incurred will be

deducted from contractor's account. Contractors will be required to pay the ordinary carriage both ways upon all rejected goods.

6. A repetition of irregularity in the quantity or quality of the supplies, or of delay in delivering or replacing them when required, will subject the contractor to such mulct, not exceeding one-fourth the amount of the monthly account, as the Commissioner may direct. It will also be in the power of the Commissioner, upon such repetition, to terminate the contract forthwith.

7. In the event of the contractor failing to carry out the contract, the contract may, in the case of the security being in money, be cancelled, and the security money will be absolutely forfeited as liquidated damages for breach of contract. Should the security be by bond, the contract may either be declared to be cancelled, or the bond be enforced, as the Commissioner may elect.

8. The contractors in all cases will be liable for any expense which may be incurred by the Government in consequence of the non-performance of their contracts.

9. The contractor will be required to prepare his own account monthly on the prescribed form, including all

purchases to the 22nd of each month, and render the same to the Railway Storekeeper, on the 23rd of each month, for certification previously to payment at the Treasury.

10. Contractors are not at liberty to transfer their contracts under cover of a power-of-attorney, coupled with an interest or otherwise, and no such transfer will be recognised by the Commissioner.

11. The contracts entered into under these conditions are not to be considered as being infringed or vitiated by the manufacture or importation by the Commissioner of any of the articles for the use of the Railway Department, or by the purchase of any of the articles manufactured in the Penal or other Government establishments, or by other contracts made by the said Commissioner.

12. All prices to be quoted "in bond."
