7. The Contractor and his servants to be amenable to the existing Jetty Regulations.

8. The Contractor not to be compelled to load trucks with goods placed more than three yards from the rails, nor to place goods discharged from trucks more than three yards from the rails; if a further distance is required, a special arrangement may be made with the owner of the goods.

9. For performing the above services the Contractor will be permitted to charge one shilling and sixpence per ton, as per scale published in the *Government Gazette* of the 8th November, 1881, on all goods trucked to and from the sea and shore end of Jetties.

10. For goods trucked after hours, on holidays (on permission being obtained for so doing from the Principal Officer of Customs or Officers in charge of jetties), the contractor will not be allowed to charge more than 2s. 6d. per ton, but he will be permitted to make special arrangements with parties requiring his services.

11. A bond of £300 for Albany and Geraldton and £100 for all other jetties, with two sureties in similar amounts, will be required for the due performance of the Contract, and the Contract to terminate at any time on the Government giving one month's notice.

12. When a Jetty needs repair such as to interfere with the traffic, the trucking must be done in a way most advantageous under the circumstances, and no remission of rent will be made.

13. The principal Officer of Customs to have the right to settle all disputes between truckers and owners of goods, and to fix and determine charges for trucking such goods on which dispute may hereafter arise, whether fixed or not by any previous scale for calculating tonnage.

14. The Principal Officer of Customs' decision in all such matters to be final, so far as they do not interfere with the laws existing in the Colony.

The Government does not bind itself to accept the lowest or any tender for any of the above-named services, and reserves to itself the right of accepting a portion of a tender.

The supplies to be delivered at such places and times as may be required by the Government or person deputed by it.

No transfer of any Contract will be permitted, without the *previous consent* of the Government.

Each Tender must bear the bonâ fide signatures of two responsible and approved sureties, who will be required to be bound for the due performance of the Contract, under a penalty of about one-fourth of the estimated sum to be paid under each contract. Parties are requested to be careful in drawing up their Tenders, which should be in strict conformity with this Notice.
