RECLASSIFICATION, 1931.

THE Public Service Appeal Board referred the Re-classification back for revision, with a direction to omit from consideration the inability of the State to pay such remunerations as are found otherwise proper. This factor was assessed at 4 per cent. The basis of computation is therefore an increase on the classification at the rate of 4/90ths, worked out to the nearest multiple of 5. The addendum hereunder is now gazetted.

Addendum.

In compliance with the Board's direction referred to above, the following schedule has been compiled. The amounts shown in column 2 take the place of those in column 1, whether as minimum, maximum or salary, and are to be applied generally throughout the classification and any amendments thereto, to take effect as from 1st July, 1931.

Municipal Council of Collie—By-law No. 56.

P.W. 568/29.

WHEREAS by virtue of the provisions of "The Municipal Corporations Act, 1906," the Council of every municipality is empowered to make, publish, alter, modify, amend, or repeal By-laws for any of the purposes of the said Act mentioned. It is therefore ordered by the Municipal Council of Collie that from and after the publication thereof in the *Government Gazette*, the following By-law shall be enforced within the Municipality of Collie, and that the existing By-law No. 56 shall and is hereby repealed:—

(1) The Public Pound for the Municipality of Collie shall be in the South-Eastern corner of Reserve No. 18379, on portion of the old Wallsend Mining Lease (*Government Gazette*, p. 2123, November 2nd, 1923).

(2) If any cattle are found unattended within the Municipal District of Collie upon a street or public thoroughfare, or upon any land, public or private, not having a sufficient fence dividing such land from any street, or in any public park, recreation ground, or cemetery, any officer of the Council, police officer, or any person with the authority of the said Council, may seize the same and impound them, or place them at some neighbouring place of safe custody.

(3) The owner of such cattle shall upon conviction before two justices be liable to a fine for each head of

cattle so seized for the amounts set forth in Section 5 hereof, and any two justices, if such owner be not known, upon proof of the issue of a summons in the usual form addressed to such owner as "owner" only, without otherwise naming or describing him, such cattle and the place of seizure being duly described therein, and of the publication of such summons in some newspaper commonly circulating in the neighbourhood, may, after the expiration of twenty-four hours from such publication, proceed with respect to such owner not appearing as if personal service of a summons, stating his name, had been effected, or, if such owner appear, then as in other cases; and the Justices may order the cattle to be sold, and the money arising from the sale, after deducting the said penalty and the costs awarded and the reasonable expenses to be estimated and assessed by the Justices, of seizing, keeping, and selling the said cattle, shall be paid, if demanded within one month, to the owner of the cattle, and, if not so demanded, then to the municipal fund; and, if the said money is not sufficient for all the purposes aforesaid, the amount whereby the same falls short, or if no such sale be ordered, the whole of the said amount may be recovered from the said owner, if and when known, in like manner as other penalties and sums adjudged or ordered to be paid by Justices are to be recovered.

(4) If such cattle, by reason of having been so found at large, have been impounded by the Council, the amount of such penalty and costs, if adjudged respectively before the release or sale of such cattle, shall be added to the pound fees and charges payable in respect of such cattle, and the amount thereof, or such lesser amount (if any) as, after the sale of the cattle, may remain in the hands of the poundkeeper shall be paid over by him accordingly; and if the proceeds of any sale of such cattle are not sufficient, after paying the lawful fees and charges aforesaid, to satisfy such penalty and costs which have been adjudged, after the release or sale of the cattle, the same or so much thereof as remains unpaid, shall and may be recovered from the owner of the cattle in like manner as other penalties and costs, adjudged by Justices, are by law to be recovered; and if, in the case of any information under this section, the owner be not known, then the provisions of the last preceding section, so far as necessary to give the adjudicating Justices jurisdiction, shall apply.

(5) The amounts for which any owner of cattle shall be liable on conviction hereunder shall be as follows:—

## Trespass.

For every entire horse, ass, or bull—no less than £3 and not more than £5.

For every other head of cattle—a sum not exceeding £2.

(6) Where any cattle are impounded the following fees for daily sustenance shall be payable by the owner thereof:—

## Sustenance while in Pound.

For all "Great cattle" 12 months old or over—3s. per day each.

For all "Great cattle" under 12 months old—2s. per day each.

For all pigs—1s. 6d. per day each.

For all other "Small cattle"—6d. per day each.

(7) Nothing herein provided shall limit the right of the said Municipal Council of Collie to take proceedings for trespass against any owner whose cattle have been impounded and, who having paid the necessary fees has, before action is commenced, removed the said cattle from the pound.

(8) All fines and other moneys recovered under the provisions hereof shall be paid to the said Municipal Council of Collie and shall form part of the ordinary revenue of the said Council.

Adopted by the Municipal Council of Collie this 9th day of November, 1931.
