Part VII., Clause 29:—Paragraphs (a), (b), (c), (d), and (e) to be deleted and the following paragraphs to be inserted in lieu thereof:—

(a) Every vehicle used in transport of meat (excepting butchers' delivery vehicles used for delivery of cut joints to householders, and vehicles used by the producer for the conveyance of carcase meat to the Fremantle Meat Market, Newman street) shall conform with the following:—

The vehicle shall be completely enclosed so as to protect the meat from the weather, and from the flies and dust.

The vehicle shall be constructed of wood or approved metal, and all internal surfaces shall be finished to a smooth surface.

The vehicle shall be properly ventilated.

The vehicle shall be provided with rails and hooks secured to the upper portion thereof, and shall be of ample proportions so that meat hung on such hooks shall be clear of the floor.

Edible offal, when carried on the floor, shall be contained in impervious containers.

The vehicle, edible offal containers, hooks and rails shall at all times be kept in a thoroughly clean condition.

(c) No meat shall be carried on any railway, except in trucks provided for that purpose, or unless such meat is hung on hooks and is clear of the floor.

(d) Any person engaged or employed in the transport or delivery of carcase meat shall at all times when so engaged wear a cap with a detachable covering made of durable washable material and an overall coat of durable washable material which shall completely cover his clothes. He shall cause such cap covering and overall to be kept at all times in a thoroughly clean condition.

(e) Butchers' delivery vehicles shall be completely enclosed to protect the meat from weather, flies and dust. The vehicle shall be constructed of wood or approved metal, and all internal portions finished to a smooth surface.

They shall be properly ventilated. The floor of such vehicles shall be constructed of or completely covered with a smooth impervious metal.

(f) Butchers' cutting carts shall be constructed in a similar manner as specified for butchers' delivery carts, but shall be of ample dimensions to permit all carcase meat to be hung on hooks affixed to the roof of such vehicle. All carcase meat shall be hung on such hooks in such manner that the meat is clear of the floor. Carcase meat in this clause shall mean any quarter or more of any carcase.

(g) All carcase meat conveyed by producers to the Fremantle Meat Market, Newman street, shall be completely covered with clean canvas or other wrappings approved by the Chief Health Inspector of the Council, in such manner as thoroughly to protect such meat from flies and dust.

INDUSTRIAL AGREEMENT.

No. 2 of 1937.

(Registered 23/1/1937.)

THIS Agreement, made in pursuance of "The Industrial Arbitration Act, 1912-1935," this Eighteenth day of January, One thousand nine hundred and thirty-seven, between Milne & Company, Burns Philp & Company, Limited, Penfolds Wines, Limited (hereinafter called "the employers"), of the one part, and The Metropolitan Wine & Spirit Warehouse Employees' Industrial Union of Workers, W.A. (hereinafter called "the Union"), of the other part, witnesseth that for the considerations hereinafter appearing the parties hereto mutually covenant and agree the one with the other as follows:—

1.—Area.

This Agreement shall be limited in its effect to the area comprised within a radius of fifteen miles from the General Post Office in the city of Perth.

2.—Term.

The term of this Agreement shall be three years from the date hereof: Provided that, after the expiration of twelve months from the commencement of this Agreement, and after the expiration of any subsequent period of twelve months during the currency of the Agreement, the rates of wages herein prescribed may be varied by agreement between the parties: Provided also, that any party hereto may, after the expiration of twelve months from the commencement of this Agreement, and after the expiration of any subsequent period of twelve months during the currency of the Agreement, make application to the Court of Arbitration of Western Australia to vary the Agreement by increasing or decreasing the rates of wages herein set forth.

Provided that in any Wine and Spirit Establishment where another class of business is also carried on, the hours usually and customarily worked by that establishment at the date of this Agreement may continue to be worked.

4.—Overtime.

All time worked before 7.30 a.m. and after 5.30 p.m. on the first five working days of the week, and all time worked before 7.30 a.m. and after 1 p.m. on Saturdays shall be deemed overtime, and paid for as such.

Overtime rates shall be as follows:—Time and a half for the first four hours and double time thereafter, on the first five working days of the week, and double time for all work required to be done on Saturday afternoons and on holidays. In the computation of overtime each day's work shall stand by itself. No employee shall be required to work on a Sunday.

A worker required for a period of two days in any one week to perform the work of a higher grade under this Agreement shall be entitled to the minimum wage hereinbefore prescribed for such higher grade for the time being during which he is so engaged.

8.—Under-rate Workers.

An employee who is unable to earn the minimum rate hereby prescribed may be employed at a lesser rate, which may be agreed upon in writing between such employee and the secretary of the Union. If within seven days after being notified in writing of such employee's desire to work at a lower rate of wage than that prescribed the said secretary and such employee are unable to agree upon a lower rate, then the employee may apply in writing to the nearest Resident or Police Magistrate to fix such lower rate of wage. The employee shall give such secretary two days' notice in writing of his intention to apply to the Magistrate, and the said secretary or his agent may attend and oppose the application. The Magistrate may fix the rate of wage, and his decision shall be final. Any employee whose wage shall have been so fixed may work for and be employed by any employer for such less wage for the period of six calendar months thereafter, and after the expiration of the said period until fourteen days' notice in writing shall have been given him by the secretary of the Union requiring his wage to be again fixed in the manner prescribed by this clause: Provided always, that an employer shall not be entitled under the provisions of this Agreement to employ an employee on any class of work hereinbefore referred to at a lower rate of wage than the minimum rate prescribed by this Agreement for that particular class of work, unless and until he has in his service at least one permanently employed employee in receipt of a wage not less than the prescribed minimum, nor shall he employ more than one such employee for every four or fraction of four permanently employed competent employees in receipt of not less than the minimum wage hereinbefore prescribed.

The term "permanently employed" when used in this clause means employed continuously for not less than three calendar months immediately preceding.

9.—Night Work.

Notwithstanding the provisions of Clause 4 of this Agreement, an employee required to perform night shift duty shall be paid at the rate prescribed by Clause 6 hereof for the particular class of work performed, plus two shillings per shift.

10.—Record Book.

Every employer shall keep or cause to be kept a time and wages book, wherein shall be entered the name of each employee, the time he commences and finishes work each day, the hours worked on each day, the overtime worked each day, and the wage due therefor.

Such book shall be entered up from day to day, and shall be initialed weekly (if correct) by each employee.

The employer and employee shall be severally responsible for the proper daily posting up of the book, which shall be open for inspection by a duly authorised representative of the Union in a place convenient to the employer during all working hours.

11.—Young and Female Workers.

No male person under the age of seventeen years nor any female person shall be employed in any cellar or room in which wines or spirits are drawn, broken down, or bottled.

12.—Proportion of Male Junior Workers.

Junior workers seventeen years of age and under twenty-one years of age shall be allowed in the proportion of one (1) junior worker to every four (4) or fraction of four (4) adult workers employed. Provided that this clause shall not operate or be so construed as to require the discharge of any person employed in the industry on the 7th day of December, 1936.

13.—Absence through Sickness.

A worker shall be entitled to payment for non-attendance, on the ground of personal ill-health, for one half-day for each completed month of service: Provided that payment for absence through such ill-health shall be limited to six days in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

14.—Junior Worker's Certificate.

Junior workers, upon being engaged shall, if required, furnish the employer with a certificate containing the following particulars:—

- (1) Name in full.
- (2) Age and date of birth.
- (3) Name of each previous employer and length of service with such employer.
- (4) Class of work performed for each previous employer.

Such of the foregoing particulars as are within the knowledge of an employer shall be indorsed on the certificate and signed by the employer, upon request of the worker.

No worker shall have any claim upon an employer for additional pay in the event of the age or length of service of the worker being wrongly stated on the certificate. If any junior worker shall wilfully misstate his age in the above certificate he alone shall be guilty of a breach of this Agreement.
