18. Any person requiring an Exclusive Right of Burial in any part of the Cemetery shall apply to the trustees, in writing, specifying the location of the grave. L.G. 870/53.

HIS Excellency the Governor in Executive Council, acting under the provisions of the Cemeteries Act, 1897-1946, has been pleased to approve of the repeal of all by-laws heretofore made under the Act for the management of the Capel and Boyanup Public Cemeteries, published in the *Government Gazette* on the 5th November, 1920, and the 18th October, 1918, respectively, and to approve of the substitution in lieu thereof of the by-laws set forth in the Schedule hereunder.

GEO. S. LINDSAY,  
Secretary for Local Government.

## Schedule.

## Public Cemetery—By-laws.

By virtue of all powers in that behalf vested in the Capel Road Board for the Capel and Boyanup Public Cemeteries, the said Board makes the following by-laws and repeals the existing by-laws made in respect of the Capel Cemetery and published in the *Government Gazette* of the 5th November, 1920, at pages 2020-2022 and those relating to the Boyanup Cemetery published in the *Government Gazette* of the 18th October, 1918, at pages 1573-1575.

1. All fees and charges payable to the Board, as set forth in Schedule A, shall be paid at the times and manner therein mentioned, unless otherwise ordered.

2. The "secretary," as referred to in these by-laws, means the person for the time being employed by the Board as the secretary of the Cemeteries, and such person shall, subject to the Board, exercise a general supervision and control over all matters pertaining to the Cemetery, and to the carrying out and enforcement of these by-laws, and the direction of such person shall in all cases and for all purposes be presumed to be and to have been the direction of the Board.

3. Any person desiring to inter any dead body in the Cemetery shall make an application in the form contained in Schedule B.

4. All applications for interment shall be made at the office of the Board in such time as to allow at least eight working hours notice being given to the superintendent at the Cemetery prior to the time fixed for burial, otherwise an extra charge shall be made.

5. The Board shall cause all graves to be dug and vaults, brick graves, or graves to be re-opened as and when required.

6. Every coffin shall have upon the lid an approved metal plate bearing the name of the deceased stamped or otherwise indelibly inscribed in legible characters thereon. Any coffin not complying with this by-law will not be admitted to or be interred in the Cemetery.

7. Every grave shall be at least 6ft. deep at the first interment, and no interment shall be allowed in any grave with a less depth than 3ft. from the top of the coffin to the original surface of the surrounding ground.

8. In the case of an application for interment in any private grave or vault to which the deceased had no claim during life, the written and verified consent of the grantee shall be handed in with the application.

9. If application be made for an "interment" in any grave or vault of the remains of any person other than the person to whom the grant was issued, or his registered assign, the written and verified consent of such grantee or assignee shall be produced, together with the "Grant of Right of Burial."

10. Should the grantee be unable to produce the "Grant of Right of Burial" on making application for a grave to be reopened, for the purposes of interment, through having lost same, the said grantee shall make a sworn declaration to this effect, and shall pay the fee for a copy of such "Grant of Right of Burial," as prescribed in Schedule A, before the interment takes place.

11. (i) Subject to paragraph (ii) of this by-law a person shall not bring a dead body into the Cemetery unless he, or his representative has first handed to the secretary for inspection and return a medical certificate of death or a Coroner's order for burial in respect of the body.

(ii) Where an undertaker or his representative for a valid reason, is unable to produce a medical certificate or Coroner's order for burial, as required by paragraph (i) of this by-law and he has given to the secretary a written guarantee to produce the certificate or order within three days he may bring the dead body into the Cemetery.

(iii) A burial shall not be permitted in the Cemetery unless the provisions of one of the foregoing paragraphs of this by-law have been complied with.

(iv) Where an undertaker or his representative has given a written guarantee as required by paragraph (ii) of this by-law and he has failed to produce the certificate or order within three days, the undertaker's license may be suspended until the certificate or order is produced.

12. No interment shall be allowed on Sunday, Saturday or public holiday except when it is certified in writing by a Medical Officer of Health, or by a Police Magistrate, or by two Justices of the Peace, that for sanitary or special religious reasons it is necessary or advisable that the burial take place on that day, in which case double fees shall be charged.

13. The hours for burial shall be as follows: Week-days—from 9.30 a.m. to 4 p.m.; and no burial shall be allowed to take place nor any coffin allowed to enter the Cemetery, at any other hour except by written permission of the Board.

14. The time fixed for any burial shall be the time at which the funeral is to arrive at the Cemetery gates, and, if not punctually observed, the undertaker responsible shall be liable to a fine of £1.

15. If for any reason the funeral shall, on arrival at the entrance gates of the Cemetery, remain there for more than 15 minutes prior to proceeding to the graveside, the undertaker responsible shall be liable for a fine of £1.

16. Every funeral shall enter by the principal entrance, and no vehicle, except the hearse and mourning coaches, shall be permitted to enter the Cemetery, or stand opposite the entrance gates. Vehicles shall not be allowed to proceed faster than five miles per hour within the Cemetery, and shall proceed at and by such roads as directed by the superintendent or other officer of the Board from time to time. Any driver or other person failing or neglecting to observe such directions may be forthwith expelled from the Cemetery. No bicycle shall be ridden within the Cemetery.

17. If application be made to the Board to exhume any corpse for the purpose of examination or identification, or for the purpose of its being buried elsewhere in accordance with the wishes of the deceased or of his family, an order from the Governor or the warrant of a Coroner or of a Justice of the Peace issued in accordance with the law authorising the Board to permit of the exhumation must be attached to the application form.

18. Children under the age of ten years entering the Cemetery must be in charge of some responsible person.

19. Smoking shall not be allowed within the Cemetery, nor any fireworks discharged therein.

20. No dogs shall be admitted into the Cemetery, and any found there shall be liable to be destroyed.

21. No person shall remove any plant, tree, shrub, flower (other than withered flowers, which are to be placed in the receptacles provided by the Board for same), or any article from any grave without first obtaining a permit from the Board or their representatives.

22. No person shall pluck any tree, plant, shrub or flower growing in any portion of the cemetery.

23. No person shall remove or carry out of or attempt to carry out of the Cemetery any tree, plant, shrub, flower, earth or other material without the written authority of the Board or their representatives.

24. No person shall promote or advertise, or carry on within the Cemetery any trade, business, or calling, either by solicitation, distribution of circulars, by cards or otherwise, or by any other system of advertisement whatsoever, without the written consent of the Board, and any person infringing this by-law shall be expelled from the Cemetery.

25. No person employed by or under the Board shall be permitted to accept any gratuity whatever, nor shall he be pecuniarily interested in any work in the Cemetery, other than the remuneration he receives from the Board, except by written permission of the Board, and any such person proved guilty of accepting any gratuity, or being pecuniarily interested in any such work without such permission shall be liable to summary dismissal.

26. Any person desiring to place or erect, or to alter or add to any monument, tombstone, or enclosure in any part of the Cemetery must first obtain the written consent and approval of the Board, and otherwise comply with section 23 of the Act (61 Vict., No. 23).

27. Every tombstone, monument, or enclosure shall be placed on proper and substantial foundations, which, if required by the Board or their officers, shall extend to the bottom of the grave.

28. The materials used in every such erection shall be subject to the approval of the superintendent or other officer appointed by the Board, and any material rejected shall be immediately removed from the Cemetery by the contractor for the erection. All refuse and other rubbish remaining after any work is completed shall be immediately removed from the Cemetery by the person causing the same.

29. Should any work by masons or others be not completed before a Sunday, they shall be required to leave the work in a neat and safe condition, to the satisfaction of the superintendent.

30. Monumental masons and other tradesmen shall, before commencing any work within the Cemetery, deposit with the secretary to the Board the sum of two pounds (£2) which shall be forfeited if the provisions of either of the two preceding by-laws be not complied with to the satisfaction of the superintendent.

31. All material required in the erection and completion of any work shall, as far as possible, be prepared before being taken to the Cemetery; and all materials required by tradesmen shall be admitted at such entrance as the superintendent shall direct, and no vehicle conveying any such materials with wheels less than four inches broad shall be permitted to enter the Cemetery. No sand, earth or other material shall be taken from any part of the Cemetery for use in the erection of any monument or work except with the written approval of the Board.

32. No catacomb shall be allowed.

33. No wooden fence, railing, cross or other wooden erection shall be allowed on or around any grave or vault.

34. No trees or shrubs shall be planted on any grave except such as shall be approved by the superintendent.

35. All workmen, whether employed by the Board or by any other person, shall at all times whilst within the boundaries of the Cemetery, be subject to the supervision of the secretary, and shall obey such directions as that officer may find it necessary to give; and any workman committing any breach of these regulations and by-laws, or refusing or neglecting to comply with any directions of the said secretary, shall be removed from the Cemetery.

36. Licenses for grave dressing or decorating may be issued by the Board, such licenses to be renewed annually in the month of July.

37. 39. The Board may decorate graves from time to time, when desired by the grantee to do so. If the grantees do not desire the Board to carry out this work, the grantees may either do it themselves or employ any person licensed by the Board for that purpose.

40. No person, except the relatives of the deceased, the Board, or those licensed by the Board, shall be permitted to decorate any grave.

41. If for the purpose of re-opening a grave the Board find it necessary to remove the edging tiles, plants, shrubs, etc., from off the grave, the person so ordering the re-opening shall pay to the Board the charges laid down in Schedule A.

46. Any person committing any breach of any by-laws or regulation, or of any other rules, regulations or by-laws lawfully made under the authority of any act relating to cemeteries, shall for every such offence be liable to a penalty not exceeding five pounds, and in case of a continuing breach a further sum not exceeding one pound for every day during which such breach continues.
