(c) "Part-time Worker": The term "part-time worker" means one who is employed for not longer than thirty-three (33) hours in any one week. Such worker shall be paid at a rate per hour equivalent to time and a quarter of that prescribed for a full-time worker of the same class.

(d) "Casuals": A casual worker means a worker employed for less than twelve (12) consecutive days. The minimum engagement shall be one day.

The wage due to a casual worker shall be paid immediately upon completion of the engagement.

7.—Hours.

Subject to clause 6 hereof, forty (40) hours, to be worked in five and a half days shall constitute a week's work.

This provision shall not be availed of more than on six nights in any one year. Any dispute arising out of this provision shall be referred to the Board of Reference.

(c) No worker shall be required to work on two consecutive Sundays.

9.—Roster.

A roster of the working hours of all workers shall be prepared and exhibited by the employer in each club. It shall denote the hours to be worked by each worker for the ensuing week. It shall, together with a copy of this Award, be kept exhibited where it can be conveniently seen by all workers while on duty.

10.—Spread of Shifts.

(b) Work done by a part-time worker in excess of his or her rostered hours in any one day or after the completion of his or her rostered hours in any week shall be paid for at the rate of time and a half at the prescribed rate for the full-time worker.

(c) Should the overtime actually worked be sufficient to make a part-time worker a full-time worker within the meaning of clause 6 (d) hereof, then no overtime rate shall apply unless the hours worked exceed forty (40) per week, in which case the overtime rate prescribed for a full-time worker shall apply.

(d) Notwithstanding anything contained in this Award—

(i) an employer may require any worker to work reasonable overtime at overtime rates and such worker shall work overtime in accordance with such requirement;

(ii) no organisation, party to this Award or worker or workers covered by this Award shall in any way, whether directly or indirectly, be a party to or concerned in any ban, limitation or restriction upon the working of overtime in accordance with the requirements of this subclause.

Provided that payment for absence through such ill-health shall be limited to one week's pay in each calendar year. Payment hereunder may be adjusted at the end of each calendar year, or at the time the worker leaves the service of the employer, in the event of the worker being entitled by service subsequent to the sickness to a greater allowance than that made at the time the sickness occurred. This clause shall not apply where the worker is entitled to compensation under the Workers' Compensation Act.

(b) A worker shall not be entitled to receive any wages from his employer for any time lost through the result of an accident not arising out of, or in the course of his employment or for any accident, wherever sustained, arising out of his own wilful default or for sickness arising out of his own wilful default.
