ROAD DISTRICTS ACT, 1919-1954.

Murray Road Board.

By-laws relating to Hawkers and Stallholders.

L.G. 45/55.

WHEREAS by the Road Districts Act, 1919-1954, the Board of any road district is empowered, for the order and good government of its district, to make by-laws for all or any purposes in the said Act mentioned; and whereas, by the Interpretation Act, 1918, the power to make by-laws is deemed to include the power to revoke the same: Now, therefore, the Murray Road Board, in pursuance of the powers vested in the said Board, under and by virtue of the said Acts

and of every other authority enabling it in that behalf, doth hereby revoke the by-laws relating to hawkers and stallholders numbered 1 to 21 inclusive, and every schedule thereto annexed, which said by-laws were made on the 21st day of January, 1939, and published on pages 1195, 1196 and 1197 of the *Government Gazette*, under the date the 30th day of June, 1939, and doth hereby make and publish the following new by-laws in substitution therefor.

Interpretation.

1. "District" means the district controlled by the Murray Road Board.

"Hawker" means any person who travels and trades and goes from place to place or to other men's houses or places of business, soliciting orders from or carrying to sell or exposing for sale any goods, wares or merchandise to any person who does not in the ordinary course of business buy and sell or use the same. Provided that if the goods, wares, or merchandise consist only of one or more of the following, namely, fruit, fish, meat, poultry, game, vegetables, butter, eggs, milk, or any victuals, or books or newspapers, the term means any person who (or if he is a servant, whose employer) does not carry on the business of selling or producing the same in a shop or permanent place of business, and who travels and trades and goes from place to place or to other men's houses there soliciting orders for or carrying to sell or exposing for sale any such merchandise or articles.

In the foregoing definition of the word "hawker" the term "shop or permanent place of business" means an established permanent place of business of substantial construction wherein goods, wares, or merchandise of the kind being hawked are made, produced, or sold and, when the article hawked is a primary product, includes the farm or place where the same was produced.

2. From and after the coming into operation of these by-laws, it shall be unlawful for any person to carry on the business of a hawker in any part of the Murray Road District without having previously obtained a hawker's license from the Murray Road Board as hereinafter provided.

3. Applications for hawkers' licenses for the Murray Road District shall be in the form numbered 1 in the schedule hereto and shall be lodged with the secretary of the Board.

4. The Board may in its discretion grant or refuse any application for a hawker's license.

5. If the Board grant the application, it shall issue to the applicant a license in the form numbered 2 in the schedule hereto.

6. Every person in whose favour a hawker's license is granted as aforesaid shall pay to the Board the sum of £3 and no such license shall be of any force or effect whatsoever until the fee has been paid to the Board.

7. Every license shall be granted subject to the following conditions:—

- (a) That the licensee shall not hawk any commodity which was not produced in the district, unless no such commodity is being produced in the district at the time such commodity is hawked.
- (b) That the licensee shall not hawk any commodity other than those specified in his license.
- (c) That the licensee shall not hawk any commodity in any portion of the district other than that portion which is specified in his license.
- (d) That the licensee shall not commit any offence, rendering him liable to prosecution and conviction summarily or after indictment.

8. The Board may cancel any license by notice in writing if the licensee commits a breach of any of the conditions mentioned in clause 7 of these by-laws whereupon the licensee shall surrender his license to the Board.

9. Unless cancelled as provided in clause 8 of these by-laws, every license shall remain in force for one year from the date of issue thereof.

Stallholders.

10. Any person who desires to place, erect, keep, or conduct any stall on the foreshore of any river, or the sea or elsewhere within the district for the sale of any meat, fish, game, poultry, fruit, vegetables, drink, eatables or articles of merchandise shall first apply for a license from the Board by completing and signing an application on the form numbered 3 in the schedule hereto.

11. No stall shall be placed, erected, kept, or conducted in or near any street or way, or on any reserve, within one hundred yards of any shop, the occupier of which sells goods of a similar nature to any of those sold by the stallholder.

12. The Board may in its discretion grant or refuse any application for a license to conduct a stall.

13. Every person in whose favour a stallholder's license is granted as aforesaid shall pay to the Board the sum of £1, and no such license shall be of any force or effect whatsoever until the fee has been paid to the Board.

14. If the Board grants the application for a license it shall issue to the applicant a license in the form numbered 4 in the schedule hereto.

15. Every license shall be issued subject to the following conditions:—

- (a) That the licensee shall not sell any commodity which was not produced in the district, unless no such commodity is being produced in the district at the time such commodity is sold.
- (b) That the licensee shall not sell any commodity other than those specified in his license.
- (c) That the licensee shall not place, erect, keep, or conduct his stall, or carry on the business of a stallholder, at any place other than the place specified in his license.
- (d) That the licensee shall attach his license to his stall in a prominent position but protected from the weather.
- (e) That the licensee shall not commit any offence rendering him liable to prosecution and conviction summarily or after indictment.

16. The Board may cancel any license by notice in writing, if the licensee commits a breach of any of the conditions mentioned in clause 5 of these by-laws, thereupon the licensee shall surrender his license to the Board.

17. Unless cancelled as provided in clause 16 of these by-laws, every license shall remain in force for one month, but may be renewed from time to time upon application to the Board and payment of the fee mentioned in clause 14 of these by-laws.

18. No person shall place, erect, keep, or conduct any stall or carry on the business of a stallholder on the foreshore of any river, or the sea, or elsewhere within the district, unless he is the holder of a current stallholder's license from the Board.

19. In conducting his stall every stallholder shall be quiet and courteous and shall not do anything which may lead to a breach of the peace, or commit any offence rendering him liable to prosecution and conviction summarily or after indictment.

20. Every stallholder shall keep his stall and the immediate surroundings thereof clean and tidy.
