POISONS ACT, 1964-1970.

Department of Public Health,
Perth, 19th August, 1971.

P.H.D. 750/70/3; Ex. Co. 2083.

HIS Excellency the Lieutenant Governor in Executive Council, acting in pursuance of section 64 of the Poisons Act, 1964-1970, has been pleased to make the regulations set forth in the Schedule hereunder.

W. S. DAVIDSON,
Commissioner of Public Health.

Schedule.

Regulations.

Principal regulations.

1. In these regulations the Poisons Act Regulations, 1965, published in the *Government Gazette* on 29th June, 1965, and amended from time to time thereafter by notices published in the *Government Gazette*, are referred to as the principal regulations.

- Reg. 29 amended. 2. Regulation 29 of the principal regulations is amended—
- (a) by adding after the word "shall" in line three, the passage "subject to regulations 56A and 56B"; and
 - (b) by substituting for the passage "of poison." in the last line of the regulation the passage "of poison, but the cupboards or safes in which Eighth Schedule poisons are stored shall not bear the word "poison" on the outside."
- Reg. 56 amended. 3. Regulation 56 of the principal regulations is amended by substituting for the word "Any" in line one of subregulation (1), the words "Subject to regulation 56A any".
- Regs. 56A and 56B added. 4. The principal regulations are amended by adding after regulation 56 regulations as follows:—
- 56A. (1) Where a pharmacist is in possession of Eighth Schedule poisons for the purposes of his profession or employment, he shall store those poisons in the type of safe prescribed by this regulation or in similar storage accommodation approved by the Commissioner for this purpose.
- (2) The safe required by subregulation (1) of this regulation shall be in a portion of the premises not accessible to the public and shall be—
- (a) constructed of black mild steel plate not less than three eighths of an inch thick;
 - (b) constructed with continuous welding of all edges; and fitted with a solid mild steel bar of not less than 5/16th of an inch at its smallest diameter, situated not more than 4 inches above or below the lock, fixed to both sides of the safe by drilling and backwelding;
 - (c) fitted with a door constructed of black mild steel plate not less than three eighths of an inch thick, the door being flush fitting with a clearance around the door of not more than one sixteenth of an inch;
 - (d) fitted with two or more fixed locking bars welded to the inside face of the door near the hinge edge at not greater distances than twelve inches apart from centre of locking bar to centre of locking bar; one fixed locking bar to be not further than 6 inches from the top of the safe door, and one fixed locking bar to be not further than 6 inches from the bottom of the safe door; each locking bar engaging in a rebate in the cupboard body when the door is closed.
 - (e) fitted with a five lever keylock, or locking mechanism providing at least equivalent security, securely affixed to the rear face of the door; when the height of the safe door exceeds 24 inches but does not exceed 36 inches a second five lever keylock or locking mechanism providing at least equivalent security shall be securely affixed to the rear face of the door, and this lock shall be keyed alike to the first lock.
 - (f) securely attached to the wall or floor in the following manner—
 - (i) Where the wall and the floor are constructed of brick or concrete the safe shall be attached to the wall or the floor by means of suitably sized expanding bolts through holes three eighths of an inch in diameter drilled in the rear or floor of the safe.
 - (ii) Where the wall only is constructed of brick or concrete the safe shall be attached to the wall by means of suitably sized expanding bolts through holes three eighths of an inch in diameter drilled in the rear of the safe.
 - (iii) Where the floor is constructed of brick or concrete, but the wall is of timber construction, the safe shall be attached to the floor by means of

suitably sized expanding bolts through holes three eighths of an inch in diameter drilled in the bottom of the safe.

- (iv) Where neither a floor nor a wall constructed of brick or concrete is available, the safe shall be attached to the wall or floor by a method that will ensure that the safe cannot be easily removed.

(3) Notwithstanding subregulation (2) of this regulation a safe built or placed under the floor, shall be deemed to have met the security specifications of that subregulation if it meets the following requirements—

- (a) the container and neck of the safe shall be constructed of black mild steel plate;
- (b) the container and neck of the safe shall be embedded in reinforced concrete; and
- (c) the safe shall have a substantial closure fitted with a five lever keylock or other locking mechanism providing at least equal security, or alternatively a keyless combination lock.

(4) A pharmacist shall not store other goods, cash or documents in a safe used for storing Eighth Schedule poisons and shall keep in his immediate and personal possession the key to any such safe and the safe shall be locked at all times except when Eighth Schedule poisons are being placed into or removed from it.

56B. All Eighth Schedule poisons—

- (a) stored in the pharmacy department of a hospital which employs a pharmacist, shall be stored in a locked safe kept solely for that purpose or in similar storage accommodation approved by the Commissioner and the key shall be kept in the possession of the pharmacist-in-charge and not left on the premises where the Eighth Schedule poisons are stored except when it is given into the possession of another pharmacist, medical practitioner or dentist;
- (b) in a hospital which does not employ a pharmacist, shall be stored in the hospital in locked storage accommodation approved by the Commissioner prior to the distribution of supplies to wards, and ward supplies shall be stored in locked cupboards in wards or in locked portions of cupboards kept solely for the storage of Eighth Schedule poisons.
- (c) kept by persons licensed to procure, manufacture or supply drugs of addiction by wholesale dealing, shall be stored in a locked storage accommodation approved by the Commissioner and the key shall be in the possession of the person so licensed or in the possession of some other person authorised by the Commissioner.
