A coupon lodged with the agent which is not received at the head office of the Commission by the time aforesaid but which is subsequently received will be placed in the next available draw. The agent will, where possible, display a notice at the agency that a coupon or coupons have been excluded from the draw to which that coupon refers.

7.4 A coupon received by the Commission that has more than four (4) completed games but less than seven (7) completed games will participate as for four completed games subject to Rule 1.15 and Rule 4.4. Only the first 4 games in arithmetical sequence will be accepted.

7.5 Neither the Commission nor any agent shall be liable for any claim which is made in respect of a coupon which was not accepted for a particular draw by reason of the matters referred to in Clause 7.3 herein or any other reason whatsoever (regardless of whether the Commission or the agent was negligent) either for payment of any prize money which might have been payable had the coupon been accepted or in respect of any claim whatsoever for damages arising from the non-acceptance of the coupon and in any such case a subscriber shall be entitled only to a refund of the fee paid in respect of such coupon in full and final settlement.

Division 1. 6 winning numbers in one game. If a correct number game is not received, the prize pool will be jackpotted to the Division 1 prize pool for the following week's draw. Division 3. Any 5 of the 6 winning numbers in one game.

Division 4. Any 4 of the 6 winning numbers in one game.

9.3 Lotto subscribers who consider they are entitled to a Division 1, 2 or 3 prize shall check with the published official Lotto result list to verify that their coupon number is listed as a winning coupon in the particular division.

9.4 If the relevant coupon number is not included in the Lotto official result list the subscriber should advise the Commission forthwith. The subscriber shall lodge his claim with the Commission either personally or by registered mail so as in either case to reach the Head Office of the Commission at 334 Rokeby Road, Subiaco before the close of business on the second Friday after the date of the lotto draw (or where that Friday is a public holiday on the immediately preceding working day) by forwarding the subscriber's part of the coupon clearly showing details of the imprint of the validating machine as provided in Rule 1.15.

9.5 The Commission will not recognise any claim for a Division 1, 2 or 3 prize not included in the official result list, which is not lodged within the claim period and will not accept or recognise any reason for late lodgment or receipt by the Commission of any such claim.

9.6 Payment of Division 4 and 5 prizes may be made at the agent where the coupon was validated up to one (1) calendar month, or at Ahern's Branch Office for up to two (2) calendar months after the drawing date. Claims for prizes older than two (2) months must be forwarded to the Commission's office 334 Rokeby Road, Subiaco with postage for the remittance of the prize to be paid to the prize winner.

(vi) The dates prizes are payable.

(vii) Date and time the claim period expires.

10.2 In evaluating a Lotto coupon, the original part appearing on the microfilm shall be the valid and only part to be considered by the Commission in respect of such evaluation.

11.4 If a Lotto coupon has been inadvertently received without complete details as provided in 1.16 and 11.1 of these Rules, and if that particular entry has won a prize or prizes, such prize or prizes will be withheld from mailing until the subscriber has completed a statutory declaration containing such information as may be required by the Commission and in a form approved by the Commission claiming the said prize and attaching the subscriber's part of the coupon.
