THE Dundas Shire Council, under and by virtue of the powers conferred upon it in that behalf by the Town Planning and Development Act 1928 (as amended), hereby makes the following Town Planning Scheme for the purpose of:—

- (a) setting aside land for future public use as reserves;
- (b) controlling land development;
- (c) other matters authorised by the enabling Act.

PART 1—Preliminary.

1.1 This Town Planning Scheme may be cited as the Shire of Dundas—Norseman Town Planning Scheme No. 1, hereinafter called "the Scheme", and shall come into operation on the publication of notice of the Minister's final approval thereof in the *Government Gazette*.

1.2 The Scheme shall apply to the whole of the land within the Scheme boundary shown on the maps forming part of the Scheme.

1.3 The responsible authority for carrying out the Scheme is the Council of the Shire of Dundas hereinafter referred to as the Council.

1.4 The Scheme is comprised of the following documents:—

- (1) Land Use Map.
- (2) Scheme Map.
- (3) Scheme Text.

The Scheme Text is divided into the following Parts:—

- Part 1—Preliminary.
- Part 2—Development and its approval.
- Part 3—Reserved Land.
- Part 4—Zones.
- Part 5—General Provisions.
- Part 6—Non-conforming Uses.
- Part 7—Finance and Administration.

1.5 Interpretations—In this Scheme the terms used will have the respective interpretations and meanings set out in the Town Planning and Development Act 1928, (as amended), and in Appendix D of the Town Planning Regulations 1967, unless otherwise specified by this Scheme.

1.6 Amendment—This Scheme may be altered from time to time by the Council promoting amendments in the manner prescribed in the Town Planning Regulations 1967 provided that such amendments received the final approval of the Minister for Urban Development and Town Planning.

PART 2—Development.

2.1—Except as hereinafter provided no development including a material change in the use of land shall be carried out without the prior consent of the Council.

2.2 Applications for approval to commence development pursuant to Clause 2.1 shall be in prescribed form (Appendix A) and shall be accompanied by such plans and/or other explanatory material as the Council may require to gain a complete understanding of the proposal concerned, shall fully describe the extent and nature of any proposed use and shall fully show the siting, design and external appearance of any new or altered building and the treatment of any open portions of the site.

2.3 In considering any such application the Council shall have regard to the provisions of this Scheme and to the orderly and proper planning of land within the Scheme Area and may take into account any observations or recommendations of interested parties or authorities with which it may confer, and with which it is hereby authorised to confer.

The Council may refuse to grant its approval to any such application, giving its reasons or it may grant its approval with or without such conditions as it deems fit.

2.4 The Council shall convey its decision on any such application to the applicant in prescribed form (Appendix B) within 60 days of the date upon which it was received at the Council's offices unless the Council shall have first obtained the applicant's approval in writing for an extension of that period. In the event that a decision has not been made within that period or extended period, the application shall be deemed to have been refused.

2.5 Any applicant who is aggrieved by the decision made or deemed to have been made by Council exercising any of the discretionary powers available to it under this Scheme may appeal in accordance with Part V of the Act.

2.6 Failure to comply with the conditions imposed by the Council in the grant of its approval to a development application or failure to carry out the development in strict accordance with the plans approved by Council in respect of a particular proposal shall constitute a contravention of the Scheme for the purposes of section 10 of the Act and the Council may:—

- (a) by written notice served on the owner of the land require the development to be carried out in accordance with the approved plans or conditions of approval within the period specified in the notice failing which the Council may enter the land and carry out the work itself and recover any expenses so incurred from the owner, or occupier of the land as a civil debt;
- (b) prosecute the owner or occupier of the land as the case may be pursuant to section 10 of the Act;
- (c) revoke the approval so granted and require the removal of the development carried out as set out in section 10 of the Act.

2.7 The following classes of development may be undertaken without the approval of the Council and is referred to as permitted development:—

(d) No provision of this Part shall prevent the continued use of land for the use for which it was being lawfully used immediately prior to the Scheme having the force of law, or the repair and maintenance, for which prior consent in writing of the Council has been obtained, of buildings or works lawfully existing on the land.

3.3 (a) Where a Council refuses approval for the development of land reserved under the Scheme on the ground that the land is reserved for public purposes, or grants approval subject to conditions that are unacceptable to the applicant the owner of the land may, if the land is injuriously affected thereby, claim compensation for such injurious affection.
