- (7) The lessee shall, within twelve months from commencement of the lease, fence the external boundaries to the satisfaction of the Minister.
- (8) The lessee shall maintain existing and future improvements to the satisfaction of the Minister.

- (9) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (10) The Minister or his representative may enter the land for inspection at any reasonable time.
- (11) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (12) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove, and carry away any buildings, structures, improvements and plant the property of the lessee.
- (13) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister and shall remove any or all waste matter as required by the Minister.

1. (1) Subject to this paragraph, a dairyman holding a market milk quota or a special products milk quota at the end of the 1983 quota year shall, upon application duly made, be granted a market milk quota or a special products milk quota, as the case requires, for the 1984 quota year of an amount that is not less than the amount held by him at the end of the 1983 quota year (disregarding the whole or any part of a market milk quota surrendered by the dairyman on or immediately before 31 December 1983).
