7. The lessee shall, within 12 months from commencement of the lease, fence the external boundaries to the satisfaction of the Minister.
8. The lessee shall maintain existing and future improvements to the satisfaction of the Minister.
9. All frontages shall be treated and maintained to give an appearance aesthetically pleasing consistent with the purpose of the lease according to a plan submitted to the Minister.
10. The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
11. The Minister or his representative may enter the land for inspection at any reasonable time.
12. The land shall be filled to levels specified by, and acceptable to the Minister or his nominee and the Shire Council.
13. Compensation will not be payable for damage by flooding of the demised land.
14. Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
15. It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove, and carry away any buildings, structures, improvements and plant the property of the lessee.
16. On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister and shall remove any or all waste matter as required by the Minister.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.
